The 30 Days Of Website Traffic Tactics Coaching Program

Hi there and welcome back to **The 30 Days Of Website Traffic Tactics Coaching Program**! We are now on **Day 14** and today I want to do a quick check in with you. We've been together for 2 weeks now and I have given you a **TON** of traffic tactics. So, I have a few questions I want you to think about…

1. *Have any of these tactics piqued your interest or have they been tactics you've wanted to use?*

If yes, have you actually started using any of the tactics? If so, are you getting any results? If yes, then keep doing more of what you're doing and seeing what you can do to make it work even better for you.

If no, is it because they don't sound like something you want to do OR are you just not doing anything? If it's because none of them sound like something you want to do don't worry, I have much more to share with you. 😉 If you're doing nothing though… **STOP that!** Go pick a tactic and start using it. Pick something to drive traffic to, pick a tactic, and get to work testing it to see if it works for you. You'll never get any traffic by doing nothing!

2. *Are you struggling with anything that you're learning?* If you are you can always get help in our mastermind group. I link to that at the end of every lesson I send you, so make sure you're getting the help you need!

Also, remember… You need to be studying other resources, courses, etc., to get better and better at driving traffic. Just make sure you're sticking to one traffic tactic at a time!

Okay, that's a wrap for Day 14! I'm going to give you a little break today and just let you think about these questions and/or get to work on what you need to be working on. I will see you tomorrow when we will be diving right back into learning!

And as always, you can post all questions in our ***LearningIM.com Discussion Group*** at https://myimmastermind.circle.so/c/learning-im-discussion If you haven't signed up for that you can do so at https://www.MyIMMastermind.com

See you tomorrow!
